

KENTHOUSEWARES

Focusing on housewares for more than 45 years.

Kitchenware

Carpets

Home Textile

Other HomeGoods

Exclusive Export Partner of Local Biggest & Best Brands

Kent Housewares was founded as the Houseware Products sourcing division of Kent Fiesta, which is one of the leading cooking appliances manufacturer with the aim of fulfilling all the needs and demands that were shaped in the company's 45 years of international business.

We make a special study for the companies individually and propose/present them the ideal item range to choose from which takes enormous time to complete on their own due to their busy schedules.

➤ **Let's define your range and let us bring you the best items !**

- ✓ **Assorted selected items** available for variety of goods from multiple producers
- ✓ **Bundle set options** available for your current/trendy color scheme
- ✓ **Hidden gems** : Our whole network enables us present/supply you the items that are not known globally
