# PLUSHY COLLECTION

## Warm atmosphere of soft touches in the houses...

For those who love to calm the living space with soft textures, light tones and minimal designs and turn it into a cozy nest with thick carpets.

### Who Prefers It and Why ?

Plushy carpets, which will be appreciated by people who value the feeling of a warm home and enjoy a calming effect in the living space, who are looking for an extra soft carpet because they have children, add both comfort and elegance to the living room and bedrooms. In addition to its ultra-soft texture and thick structure, it is also preferred with its great harmony with natural furniture...
